Family Success Coach Child & Family Support Services

The Family Success Coach is a seasoned professional who takes an intentional strengths based approach to working with families in the agency's scattered site and project based supportive housing programs. Through their interactions with the Family Success Coach, families develop skills to articulate their own self-sufficiency goals and find their own paths to achieve them. The Family Success Coach assists families in developing strategies to achieve self-sufficiency and promote their children's success in school.

The Family Support Coach's role is to help families shift their perspectives and discover different solutions to the challenges they face through intensive case management, supportive therapy, consistent follow-up and a harm reduction approach. The goal is to help the family recognize and understand underlying causes of their challenges, identify their own skills and capabilities and then use those skills to cope more effectively and achieve self-sufficiency.

Qualifications:

- Bachelor's degree in Social Services, Psychology, Education, Human Resources or related field required. Master's degree preferred.
- Minimum of 5 years of experience working with low income families from diverse backgrounds required.
- Must have a valid Illinois driver's license and appropriate auto insurance.
- Bilingual (English/Spanish written and verbal communication skills preferred).

To apply, please e-mail a letter of interest and resume to:
