Job Posting

October 2, 2018

Medical Case Manager Child & Family Support Services

The Medical Case Manager works with clients to provide a broad range of medical case management services and interventions, including home visits. This position works with clients to develop appropriate case plans and goals, and provides ongoing assessment and support. The Medical Case Manager also assists clients in utilizing community resources to meet their individual needs.

Qualifications:

- Bachelor's degree in Human Services or related field required. Master's degree preferred.
- Medical Case Manager certification through AIDS Foundation of Chicago (AFC) preferred.
- Minimum of 2 years of case management experience required.
- Broad knowledge of community resources, networking and/or home care required.
- Must have a valid Illinois driver's license and appropriate auto insurance.
- Experience conducting home visits preferred.
- Bilingual (English/Spanish) written and verbal communication skills preferred.

To apply, please e-mail a letter of interest and resume to:
