Child Care Worker (Full-time / Day Shift) Residential Center

The Child Care Worker provides around-the-clock care, supervision and support to children in the Residential Center. The Child Care Worker is responsible for driving children and/or providing transportation to their medical appointments and/or school.

The Child Care Worker assists with medical treatments as established by each child's Primary Care Physician, the Medical Director and Nurses. The Child Care Worker also prepares nutritious meals for children and ensures the facility is safe and maintained in a clean and orderly manner.

This position will be scheduled to work three shifts per week (12 hours per shift). The Child Care Worker must be flexible and available to work different shifts.

Qualifications:

- Must be licensed or currently working toward a license as a Certified Nursing Assistant.
- High school diploma and valid Illinois driver's license required.
- Must be at least 21 years of age (insurance requirement).
- Experience working with medically-complex children preferred.
- Bilingual (English/Spanish) oral and written communication skills preferred.

To apply, please e-mail a letter of interest and resume to:
