June 5, 2019

Nursing Care Coordinator Residential Center

The Nursing Care Coordinator is responsible for the transition of children into the Residential Center, as well as the supervision of day-to day operations of the Residence. This position assists the Program Manager in providing a continuum of care for children in the Residential Center, as well as the coordination of all client related services. The Nursing Care Coordinator serves as a professional role model for nursing and non-nursing staff within the Residence.

Qualifications:

- Current Illinois Registered Nurse license required.
- Minimum of 3 years of experience supervising nursing staff required.
- Minimum of 3 years of nursing experience with children with special medical needs required. Infectious disease experience preferred.
- Current CPR and First Aid certifications required. CPR instructor qualification preferred.
- Valid Illinois driver's license and safe driving record required.
- Bilingual (English/Spanish) skills preferred.

For complete consideration, please attach letter of interest and resume
